We review each personal prestige license plate application. We use several tools to minimize the chances of manufacturing license plates which are obscene, profane or defamatory in nature. If a prestige license plate combination is approved and later is determined to be obscene, profane or defamatory in nature, DOR/MV reserves the right to recall the license plate. If a license plate is recalled, we will allow you to request another prestige combination. OCGA 375-2-3-.02

To the right of each combination, you must record the meaning of the combination, i.e. my initials, etc.

If the letters and numbers on a requested license plate combination are less than seven (7) for a private passenger vehicle or less than (6) for a motorcycle, please be sure to leave the boxes blank where you would like the spaces to appear on the license plate. Every space (blank) is counted as a letter or number.

A prestige license plate combination will not be approved when the request is a duplicate of an existing license plate.

The following letter combinations will not be approved for a personal prestige license plate: GBI, FBI, GSP or GOV.

Prestige license plate combinations that are registered trademarks will not be approved unless you have written permission from the person or business that has registered the trademark or owns the rights to the trademark. OCGA 40-2-60.

The owner (applicant for the license plate) must sign the application.
